Over the last few months, Allied Minds engaged with its major shareholders to understand their views on remuneration matters. While all resolutions were passed at the annual general meeting, we were disappointed that there was a significant minority vote against both the advisory resolution for this year's remuneration report and the re-election of our remuneration committee chair. Naturally, we acknowledge

this feedback and thank those shareholders who have already spoken with us and explained their reasons for not supporting the relevant resolutions. The remuneration committee is committed to continuing dialogue with our shareholders ahead of the scheduled binding vote on remuneration policy at the 2019 annual general meeting.

Notes:

1. A vote "Withheld" is not a vote in law and is not counted in the calculation of the votes "For" or "Against" a resolution.
2. As at 21 May 2018, the number of issued shares in the Company was 240,250,732 ordinary shares, which was the total number of shares entitling the holders to attend and vote for or against all the resolutions at the AGM. In accordance with the Company's Articles of Association, on a poll every member present in person or by proxy has one vote for every share held.
3. The full text of the resolutions may be found in the Notice of the Annual General Meeting, copies of which are available on both the Company's website [www.alliedminds.com](http://www.alliedminds.com) and on the National Storage Mechanism.
