## Federated Wireless partners with TESSCO Technologies to accelerate CBRS Private Networks

Allied Minds plc (LSE: ALM, "the Group"), the IP commercialisation company focused on early stage company development within the technology sector, announces that Federated Wireless ("Federated"), an Allied Minds portfolio company, has partnered with TESSCO Technologies Incorporated, a value-added distributor to the wireless infrastructure construction industry, to accelerate the adoption of Citizen Broadband Radio Service (CBRS) private networks in a number of industries including manufacturing, transportation and energy.

Together, the companies will provide a full portfolio of CBRS solutions enabling end users, resellers, integrators, and contractors to expedite the design, installation and deployment of CBRS private wireless networks.

See [here](#) for TESSCO's release.

### About Allied Minds

Allied Minds plc is an IP commercialisation company focused on early stage company development within the technology sector. With origination relationships that span US federal laboratories, universities, and leading US corporations, Allied Minds historically created, and now manages and funds, a portfolio of companies to generate long-term value for its investors and stakeholders. Based in Boston, Allied Minds supports its businesses with capital, management, expertise and shared services.

For more information, please visit [www.alliedminds.com](http://www.alliedminds.com).

### About Federated Wireless

Founded in 2012, Federated Wireless has long led the industry in development of shared spectrum CBRS capabilities. The company's partner ecosystem includes more than 40 device manufacturers and edge partners, all of which are dedicated to collaboration to advance development and proliferation of CBRS services. Federated Wireless' customer base includes companies spanning the telecommunications, energy, hospitality, education, retail, office space, municipal and residential verticals, with use cases ranging from network densification and mobile offload to Private 4G/5G and Industrial IoT. ### Allied Minds Forward-Looking Statement

This press release contains statements that are or may be forward-looking statements, including statements that relate to Allied Minds' future prospects, developments and strategies. The forward-looking statements are based on current expectations and are subject to known and unknown risks and uncertainties that could cause actual results, performance and achievements to differ materially from current expectations, including, but not limited to, those risks and uncertainties described in the risk factors included in Allied Minds' regulatory filings. These forward-looking statements are based on assumptions regarding the present and future business strategies of Allied Minds and the environment in which it will operate in the future. Each forward-looking statement speaks only as at the date of this press release. Except as required by law, regulatory requirement, the Listing Rules and the Disclosure Guidance and Transparency Rules, neither Allied Minds nor any other party intends to update or revise these forward-looking statements, whether as a result of new information, future events or otherwise.
